Open URL from the prerequisites 2. Select arbitrary vehicle model for test drive (e.g. EQE Saloon). 3. Select arbitrary showroom on the map (e.g. Newcastle upon Tyne) 4. Confirm showroom selection. 5. Confirm motorization selection. 6. Select pickup date and confirm. 7. Pay attention to the 'Contact number' input field <p>Actual Result: Distance between 'Email' and 'Contact number' fields is 26px. Background color of 'Email' field is #ffffff.</p>  <p>Expected Result: Distance between 'Email' and 'Contact number' fields should be 12px. Background color of 'Email' field should be #f8f8f8.</p>
Severity	Minor

Requirement improvement suggestion:

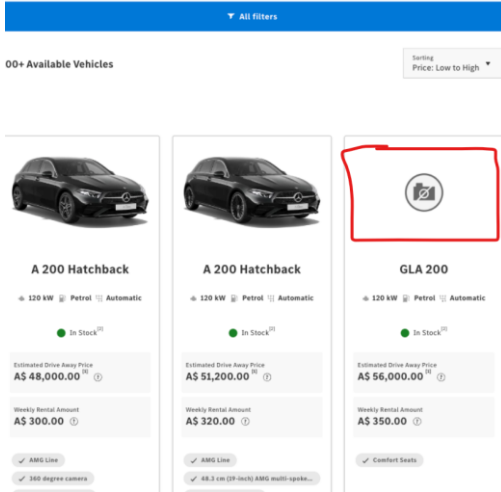

Specify the device model (e.g. iPhone 14 Pro) along with the operating system version (iOS 16) for clarity, as it can give insights into the device's screen size, which impacts how the web application is displayed.
